

Kiley Prep Summer Assessment

Hello to all 6th, 7th , and 8th graders!

We hope you have an amazing summer filled with rest, adventures, and time with family and friends.

Below you will find your summer assessment.

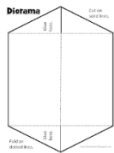

You must complete one row of the assignments listed on the Bingo Board below.

Your goal is to create a Bingo in any order (horizontal, vertical or diagonal).

Choose options that interest you and are attainable to you as well.

Summer assessments are due to Crew teachers the **first Friday** we return, **August 29th, 2025**.

This is mandatory and will count as a test grade.

Research a local cryptid in Massachusetts. Write a persuasive paragraph proving or denying its existence.	Be a good citizen. Identify and name an issue either in schools or in Springfield. Create a plan to improve this issue. Include any resources that you would need and why you would need them.	Set three goals that you want to accomplish in the fall. Identify a support person that will help you achieve your goals.	Watch a quick YouTube video about the Bill of Rights https://youtu.be/QAAHvagYquE?si=bNRGUZyc9x-OqaoP Write a summary paragraph on how the Bill of Rights became part of the U.S. Constitution.	Create your summer play list. List 10 songs and write a sentence explaining how each song represents your summer.
Create a timeline of your summer. Include dates and a sentence for each date. Include at least 10 things you did or saw.	Create an image of an ecosystem you visited this summer. Including herbivores, carnivores, and producers.	Create an Animal or Plant Diorama 	Write a paragraph about how swimming cools the body down. Include vocabulary connected to thermal energy.	Create a best friend! Write about the characteristics of the perfect friend for you. How they treat you and how they make you feel.
Take a walk outside. Write down as many sensory details as you can see. Write a "sensory detail poem" about your experience.	Bring in a clear jar with a lid. Create a school yard ecosystem in a jar Biosphere in a Jar • Kidzeum Kidzeum of Health and Science	Free Space 	Massachusetts has a Congress that mimics the U.S. Congress. Research an historically important member from either the House of Representatives or the Senate. Write a paragraph that explains their importance.	Use your phone to take 3 pictures that represent your summer experience. Write a paragraph explaining why those images represent you.
Follow the news! If a Natural Disaster happens, or a significant weather event occurs. Research as much information as you can about it. Where, what, when, how...	Go to the Teen Ink website at www.teenink.com . Check out the stories, poems, and art. Choose one and write a review.	Take a picture of a landform. Explain the processes that formed this and how it can change over time.	Many schools in Springfield are named after someone important to Springfield's history. Research one of them and write a paragraph about that person's historical significance.	Make a scary campfire story! Write a short thriller or horror story and then tell your friends. Don't forget a "jump scare"!
Scavenger Hunt! (Part 2) Pick at least three things from the Scavenger Hunt list and write about how they interact with each other.	Rainy Day? No problem! Watch a movie adaptation of one ELA novel that you read during the year.	Visit the George Walter Vincent Smith museum at Springfield's Quadrangle. Write a paragraph about what exhibit impressed you most and why.	Scavenger Hunt! (Part 1) Complete the attached scavenger hunt, find at least three things that you saw not on the list.	Create a poem about one of your favorite summer experiences. Poems should be 10 lines and do not have to rhyme.
